## EDITORIAL

**W**e're not content with just bringing you the hottest girls in the world every month, we like to delve into their lives a bit as well. But does that matter to you, the reader? Do you even read that bit? Do you care what Jenny Laird's favourite colour is, or why such and such model called her cat 'Petal'? Well, we do, which is why we ask them but, let's be honest, it's also because we like hearing their voices. And we try our best to get them to say rude things. Some play ball, some leave us hanging. Good job they can't tell we're naked at our end of the call...

## XXXXXUT WITH A BANG!

Dear Club,

As a regular reader of your great magazine for the past three decades or so I'd firstly like to thank you for 44.09 – yet another blistering edition of the best girlie mag out there. Gorgeous babes such as Ariana in her college girl uniform, Jenny and Krystal really got me turned on. Like reader Michael (44.09) I also enjoyed following the women's World Cup. The England girl I'd love to see strip off in *Club* is the delectable Alex Scott. Even though I'm Scottish it was nice to see England do well, if only for the chance of further glimpses of Ms. Scott. Just a pity her cute bottom spent a good part of the tourney

warming the bench. And as for what I'd like to do to her in the post match showers, well, I'll leave that to your imagination!

Finally, on a completely different note, I reckon that that saucy minx Amanda Holden is a *Club* girl in the making. A photoset of Amanda cavorting naked on the GMTV sofa would be fantastic. Thanks again for an excellent sex mag – keep up the good work! *John, Glasgow.*

*We're not sure Amanda Holden is going to return our phone calls. We had a thing for her back in her 'Les Dennis days', but she's definitely turned into a very watchable MILF!*

Dear Club,

One Friday evening, me and the girls were having an after office hours drink. Before I realised, it was 11 o'clock and I'd had a few too many vodkas. I decided it was time to leave and hailed a cab.

Driving along, I suddenly felt really horny and started to have fantasies about the cab driver. My hand found its way to my mound and began to rub my pussy lips. I was getting quite aroused, and the cab windows were beginning to get very misty. I stuck my other hand down my blouse and caressed one of my tits, then pulled the nipple out and began pinching it. The cabbie must have heard the groans, but I was too far gone to worry.

When the taxi finally arrived at my flat, my cunt was soaking wet and I was gagging for it. The driver turned around and asked for his fare. I don't know what possessed me, but I told him I had no money, and I'd have to pay another way. I whisked off my drenched knickers, gave them to him, and said, "Smell that, then come and fuck me."

I sat back in the seat and spread my legs so he could see my shaven cunt. Without hesitation he was in the back pulling his pants down. I grabbed hold of him and pressed him against the back seat. Grabbing his stiff cock, I smothered it with my mouth and started to swallow it until I reached his balls. Then I pulled my head away and slid his cock into my pussy, which tightened around his shaft as I pumped my body up and down.

I could feel my clit slowly rubbing against his shaft, making my cunt feel like it was on fire. Then with one almighty final thrust, an electric shock exploded violently through me – what a fucking orgasm!

Dragging myself off him I noticed his cock was glistening with my pussy juice. So, not wanting to waste any, I started to lick his cock. Grabbing my head, he slid the entire length of his cock into my gob. Pulling it out slightly, I positioning my hand around its base and squeezed it as hard as I could. His jerky movements became more pronounced, and suddenly I could feel his hot salty spunk gushing down my throat – I made sure that I didn't spill a drop.

Adjusting my skirt and blouse I left the taxi, and went into my flat. That was certainly the best ride I've ever had in a taxi!

*Tracey, Chiswick.*

## JADE SPRAYED!

*Dear Club,*

When you appear in *Club* you know you're the cream of the glamour model crop. You also know that the other girls featured will be staggeringly beautiful. When you have the likes of Jenny Laird, Krystal Webb and Danielle Maye appearing, you need that something extra special to shine. Debutant Jade has that "extra special" something to rise head and shoulders as the stand out model of the issue. Her natural curves, beautiful brown eyes and sheer beauty are a joy to behold. Well done to all involved, it was worth the price of the magazine alone!

*Michael, Tunbridge Wells*

*Dear Club,*

I recently discovered that one of my oldest friends is bisexual. How? Well, one night we'd been boozing indoors at her place and we decided it was best I crash on her floor. She'd complained about feeling a bit light-headed, and needed to chill out listening to some music on her own in her room. I thought nothing of it until, on my way to the kitchen, I flicked on the hallway light, and somehow plunged the whole house into darkness. I immediately realised the electricity had died throughout the house, because my mate's music had stopped – but I could still hear a loud whirring, buzzing noise coming from her bedroom.

"Don't panic," I said.

"Don't worry; I'm not," came the panted reply.

"In fact, come and join me!"

I did, and she gave me the most fantastic vibro-fuck I've ever had!

# BROOKE ♣

*A Little goes a long way...*

**B**rooke Little has long dreamed of being in *Club*, and we've long dreamed about a girl like Brooke dreaming about being in our magazine. In short, everyone's happy.

"Well, it could have been better," Brooke teases. "You could have paired me with another girl. I'd love to suck on Dani's tits or have Jenny Laird plunge her tongue in my pussy. Can we do that next time, please? Pretty, pretty please."

Oh Brooke, it's the kind of thing we dream about... ♣

## England vs Pakistan Test Series

**United Arab Emirates –  
October and November**

It was a crazy summer of Ashes cricket that encompassed moments of individual brilliance and some ridiculous batting collapses. Perhaps the most important thing was that it all concluded in a series victory for England. Next up, however, is a very different kind of challenge for Alastair Cook's unpredictable team.

From an erratic win on favourable pitches surrounded by the trappings of home over an aging, error-prone Australian side, England now move on to pitting their wits against a talented and progressive team in what is essentially the middle of the desert. To make the scenario even more difficult, England were demolished by Pakistan over three torrid Test Matches in the United Arab Emirates back in 2012.

The first major issue here for Cook's charges is that conditions will be stiflingly hot and the pitches dry and dusty, meaning spin-bowlers are likely to rule

the roost, just as Pakistan's Saeed Ajmal did so effectively during the aforementioned 2012 series. England's pace-men such as Stuart Broad and Steven Finn, who performed so well against the Aussies on the lively, built-for-purpose tracks at Cardiff, Edgbaston and Trent Bridge, are unlikely to be as dangerous on the slower wickets, and the responsibility for toppling batsmen could be placed squarely on the trickery and guile of those star spinners. Incidentally, England don't really have one of these at present...

One candidate, Moeen Ali, is currently considered more valuable for his batting than for his dastardly off-breaks, and despite taking twelve wickets in the Ashes series he leaked more runs than any other bowler. Essentially, people who know stuff about this are saying he lacks the control and consistency required to contain a talented Pakistan team. With this in mind, the smart money is on Moeen

moving up the batting order to make way for a second more specialist spinner such as Adil Rashid. Rashid has performed well for Yorkshire in county cricket this season but has never played a Test Match for England. Spin at the deep end, perhaps, but he does boast a mean googly.

Another head-scratcher for Captain Cook is the small matter of finding a decent opening batsman to accompany him at the top of the order. Adam Lyth was one of the big flops during the Ashes series, averaging just over 12 runs across his nine innings, and looks likely to be replaced by either Moeen Ali or Nottinghamshire's Alex Hales. Moeen would be a gamble, having never opened an innings in first class test cricket, and Hales another punt considering his inexperience in such pressure cooker conditions.

Whoever the selectors plump for, Pakistan coach Waqar Younis is likely to be rubbing his hands in anticipation. His improving team have a dangerous combination of batting down the order in the likes of Younis Khan, Asad Shafiq and Shan Masood, who all starred in the recent Test series win over Sri Lanka, and a potent bowling attack, with the often unplayable spin of Yasir Shah complementing the pace-bowling of Rahat Ali. This being England I wouldn't want to predict anything, but I'm sure you'll agree that it's not looking good...

## Formula One

**Russian & US Grand Prix –  
11<sup>th</sup> and 25<sup>th</sup> October**

As another Formula One season approaches its inevitable climax, what has really changed since Lewis Hamilton breezed to the driver's championship in 2014? Well not a lot really, although I have been either asleep, hungover or both for at least 64% of the coverage – which incidentally is about the national average for this sport.

Just like last season, Hamilton and team-enemy turned team-mate Nico Rosberg are competing for top-spot, the only real difference being that the pair have stopped squabbling and trying to knock one another off the track, which must be a relief for everyone at Mercedes.

In perhaps the most poignant happening of the season so

far, Hamilton recently ended a hoodoo when winning at Belgium's Spa-Francorchamps circuit, the track where Rosberg drove into him in 2014, unceremoniously ending Hamilton's race to much controversy and public bollockings. After this historic career-first victory, Rosberg even said his new big pal 'did a great job'. Rumour has it that Christmas cards may be tentatively exchanged this year.

Following his switch from Red Bull to Ferrari, former champ Sebastian Vettel sits in a reasonably competitive third place, having topped the podium in two races this year; Malaysia back in March being Ferrari's first win since Fernando Alonso, the man Vettel replaced in the Ferrari hotseat, won at the Spanish Grand Prix two campaigns ago.

Alonso (56), incidentally, is having a terrible season after joining McLaren, with fellow veteran Jenson Button (54) having a similarly dismal time at a team grappling with engine and Tena Men issues. At the other end of the age spectrum, seventeen year-old Max Verstappen became the youngest person to start and score points in a Grand Prix in Australia and Malaysia respectively, and looks destined to become a very successful and wealthy Formula 1 star. At that age I was drinking Newcastle Brown in the park with friends, which seemed like the best thing ever back then...

So with everything going

reasonably predictably, the big story in Formula One this season surrounds tyres – not in a boring way, but in a randomly exploding way. Both Vettel and Rosberg had blow-outs at close to 200mph in Belgium and the drivers want answers from suppliers Pirelli, i.e. what's with these exploding tyres? To date, none are forthcoming.

Barring any mishaps Hamilton looks likely to retain his driver's title, and perhaps significantly the Russian and US Grand Prix last season sparked a five-race winning streak that put pay to Rosberg's challenge. At least this time he might take it a little more graciously.

## The Melbourne Cup

**Flemington Racecourse – November 3<sup>rd</sup>**

The Melbourne Cup is a strange old beast. At first glance it's a completely unassuming horse race, a two-mile handicap that takes place on the first Tuesday in November at 3pm – the kind of thing that you can see at any one of the 46 betting shops on your local high street without any pomp or ceremony.

Closer inspection, however, reveals prize money of over six-million Australian dollars, a trackside crowd of around 100,000 fans, and a global TV audience of roughly 500 million. Residents of the state of Victoria,

representatives from France, Ireland, Japan, and the winner was trained in Germany.

Indeed, overseas horses have won three of the last five runnings, with the French trained Americain and Dunaden prevailing in 2011 and 2010 respectively. Despite holding five entries in 2014, a British trained horse has never won the Melbourne Cup, although Ed Dunlop's Red Cadeaux has run second on three occasions, suggesting this landmark achievement can't be far away. So what about this year? Well

**1 Prize money of over six million Australian dollars, a trackside crowd of over 100,000 fans and a global TV audience of 500 million"**

of which host city Melbourne is the capital, get a public holiday to watch the race, and across the rest of Australia and New Zealand work and even school lessons stop to watch this fairly unspectacle-like spectacle.

It's famously billed as 'the race that stops a nation', and while the Melbourne Cup might not exactly do that, it certainly diverts it for a while. We're assuming *Neighbours* viewing figures drop alarmingly that day.

While at one time the field was largely an Australian affair with a sprinkling of New Zealand, these days the race is a truly International concern. Last year, for example, there were

let's just say it won't be for want of trying.

Dunlop wants to give Cadeaux another crack at the big one along with useful stablemate Trip to Paris, and the Sir Michael Stoute trained Snow Sky was right on track for Flemington before flopping in the King George Stakes at Royal Ascot. Big Orange and Quest for More hold decent shouts for Michael Bell and Roger Charlton respectively.

Despite this wealth of entries, Japanese stayer Fame Game is the current ante-post favourite, and Britain might easily have to wait a little longer for that elusive win... ♠

★ ROAD HOUSE ★★ HIP HOUSE ★★★ HOUSE OF CARDS ★★★★★ ANIMAL HOUSE ★★★★★ BLEAK HOUSE

## While We're Young

(Icon Entertainment, DVD £6.99, Blu-ray £9.99)

Noah Baumbach is hard to get a grip of. His *Squid and the Whale* was a harsh, unsparing family drama about divorce, albeit with period trappings that lent it a retro air. *Greenberg* was more buffoonish, while *Frances Ha* was a likeable showcase for the talents of Greta Gerwig. And this is something else again.

It's definitely a happier collaboration with Ben Stiller than *Greenberg* was. While many viewers haven't taken kindly to this tale of childless couple Josh and Cornelia (played by Stiller and Naomi Watts) befriending a younger, hipper couple Jamie and Darby (Adam Driver and Amanda Seyfried). In fact, hipster rather than hipper – many of Adam's affectations are straight from the Shoreditch / Williamsburg playbook, and mocked with varying degrees of affection, as are Josh's attempts to enter that world.

This is where the film works. Baumbach shows us a couple missing their younger lives, and attempting to recapture it, but at the same time telling us that being twenty-something isn't the pinnacle of life and you should grasp what's in front of you. It isn't always subtly done, but this junior Woody Allen approach does find time for some genuinely funny moments, although some satire does miss its target. What keeps it from descending into cynicism are some game performances, and a lightness of touch. ★★★★★

## Bleak House

BBC, DVD £6.99, Blu-ray £11.86

It's a sad state of affairs that in the ten years since this was first shown, there hasn't been a Dickens adaptation that comes close to knocking it off its perch. Based on one of his finest, most sprawling novels, Dickens would have been delighted to witness the cast that bring to life his tale of the orphan Esther Summerson, the endless legal case of Jarndyce vs. Jarndyce and the world of people who fall under its shadow. Gillian Anderson, Anna Maxwell Martin, Denis Lawson, Alun Armstrong, Carey Mulligan, Phil Davis – it's a cast for the ages. And Charles Dance practices his Tywin Lannister as Tulkinghorn. There isn't a weak link, and even those who don't love Dickens the novelist will find themselves drawn into this complex, dark drama. ★★★★★

## A Girl Walks Home Alone At Night

(Studiocanal, DVD £12.99, Blu-ray £14.99)

Director Ana Lily Amirpour's debut is a bold and original take on the vampire movie, and announces the arrival of a real talent. Many traditional horror fans have not warmed to it, but that's because it's more ambitious in terms of mood, feel and cinematography.

Iranian ghost town Bad City is the setting, a Persian hell-hole stalked by a vampire. Amirpour throws an unusual love story into the mix, and enough symbolism to keep film critics more than happy. You could argue there's a subtext about persecution in Iran, or you could just enjoy the film's slow-simmering tension, spikes of horror, moments of tenderness, notable soundtrack and attention to mise en scene. And that's not a phrase you hear in *Club International* very often! ★★★★★

## Around the world with Orson Welles

(Bfi, DVD £14.99, Blu-ray £14.99)

Long lost but finally brought lovingly to our homes, this series of European travelogues in the company of Orson Welles is a delight. Filmed in 1955, it sees the directorial genius giving us a truly Wellesian tour of Spain, Paris and the Basque countries. Particularly thrilling is a trip to Vienna to see the locations for *The Third Man*. ★★★★★

## Le Tour De France

(Focus/Cyanide, Multi-format £34.99)

While cycling and Le Tour grow in popularity in the UK, a console game based on it is a tough sell. Well, this is a brave attempt. You play not just a lone cyclist but also delve into team management in a game with lots of strategy. No endos, though. ★★★

## Child 44

(Entertainment One, DVD £10 Blu-ray £13)

Tom Rob Smith's very good novel was ripe for adaptation. And ripe is the word you could use for this travesty. The ubiquitous Tom Hardy is ill-served by some of director Daniel Espinosa's decisions, while the accents – Hardy's and Gary Oldman's in particular – are faintly risible. It's almost like they read the book, threw it away and winged it. ★★

# book club

## Camp Concentration

Thomas M. Disch (Vintage £8.99)

An ambitious minor sci-fi classic, Disch takes us into a world where conscientious objectors are force-fed a drug that makes them incredibly intelligent – and will also kill them in months. Louis Sacchetti is our hero – of sorts – and it's his journal we're reading. As the camp authorities urge the inmates to think up new ways of destroying the enemy, they dabble in alchemy and eternal life.

## Stray Bullets Volume One

David Lapham (Image Comics £14.99)

Collecting the first seven issues of Lapham's brilliant *Stray Bullets*, this is a good way into his superbly imagined criminal world. The dialogue, characters and occasionally absurd situations are reminiscent of Tarantino, but there's also a more hard-boiled edge. The black and white artwork echoes Film Noir, and once you've dipped your toes in this world, you'll be back for more.

## A God In Ruins

Kate Atkinson (Doubleday £20)

A companion/sequel to Atkinson's glowingly received *Life After Life*, this deals with Teddy, the brother of that book's Ursula Todd. An RAF bomber in World War Two and a poet, Teddy is a wonderfully alive character, drawn in three dimensions in a way that weaves into some of the alternative narratives from *Life After Life*. It's less formally challenging, but perhaps a more cohesive read.

# Classic Corner

## Stalag 17

(Masters of Cinema, Blu-ray £10.99)

Often overlooked when people talk about the great Billy Wilder films (and what career wouldn't be dominated by *Some Like it Hot* and *The Apartment*?) *Stalag 17* was the hit Wilder needed after the brilliant *Ace in the Hole* failed to find favour with audiences. William Holden leads a fine cast as JJ Sefton, a POW in a German camp run by Oberst von Scherbach (a classic Otto Preminger performance). He's a hard-to-like cynic who fellow inmates suspect of being a snitch, and Wilder expertly fuses comedy, drama and tension as we slowly discover the truth. As always with Masters of Cinema, the transfer and extras are superlative.

## Love, Nina

Nina Stibbe (Penguin £8.99)

The perfect gift for those who loved Roger Mortimer's *Dear Lupin* book of letters, Nina Stibbe's despatches from her time spent as a somewhat useless nanny is an excellent comic read. You have to enjoy the voice, but if you do then you'll find she describes 80's family life perfectly, with no little humour, tragedy and pathos. And the cover makes us want someone to bring back Toffos. ♣

# Club's KIT BAG

Plug and play with yourself...

£1200

## Arcam UDP411

[www.arcam.co.uk](http://www.arcam.co.uk)

Arcam are pretty great at high-end equipment, and in an age where a lot of people think that the £39 Blu-ray they pick up at the supermarket is state-of-the-art, that's reassuring for those with money to burn. Your £1200 gets you great picture clarity, nice audio features, upscaling to 4K and a wide range of compatibility. But it also only gets you a single HDMI port, and a menu that is in no way elegant. You'll need to use a USB to watch MKV's on it, and you might argue that if you're spending over a grand on a thing to watch films on, it really shouldn't have this many downsides.

**Pros:** Great pictures and sound.

**Cons:** Pricy considering the flaws.

£269

## Samsung Galaxy S6

[www.samsung.com](http://www.samsung.com)

The phone arms race grinds ceaselessly on. Apple up their game, so do Samsung. Apple haters crow about all the great Android phones, Apple fans point out that Android apps still lag miles behind. And so on. The S6 is up against the latest iPhone, and fares well by comparison. 5.1 inch Super AMOLED screen, Gorilla Glass 4, fine camera, speedy processor – it's a truly premium phone but of course that comes at a premium price.

Your top end phones are nudging nearer and nearer the grand mark, but the improvements still feel incremental rather than revolutionary. And they still can't get batteries to last long enough.

**Pros:** Screen is fantastic, works quickly.

**Cons:** As always, battery and price. ♣

## GoPro Hero 4 Session

[www.shop.gopro.com](http://www.shop.gopro.com)

The main rival for this camera is GoPro's own Hero 4 Silver. Which handicaps this from the start, as they cost the same but the Silver has a bit more going for it in terms of picture and recording quality. This is still great, even if it calls for a more active lifestyle than the one we currently lead. It's ideal for attaching to bikes, helmets, for capturing underwater scenes if you're diving (or just swimming and perving) and the battery life is good. It's also tiny, which makes it ultra-portable. So there's a lot going for it, but slightly more going for the Silver.

**Pros:** Durable, very good recording quality.

**Cons:** Beaten by its in-house rival.

**A**pril has one idea of how to stay fit but, as you can tell, her friend Raven has another. Not for Raven pounding the treadmill, pumping iron or using one of those ridiculous exercise balls. No, her favourite exercise is sexercise. Isn't it everyone's?

When April takes a break from her running regime, Raven pounces. Her boobs are squeezed, her arse groped and, just like magic, she forgets all about running and starts to concentrate on cumming. Raven makes it worth her while, peeling her panties off and devouring her sweet, wet hole from every angle. A couple of fingers find their way inside and soon they're moving into a 69, and all you can hear are slurps and moans. Is there a finer way of burning off a few calories? Well, maybe if they broke out some sex toys... ♣

**EMMA**♣

Green with envy...

A visit to the office from Emma Green definitely separates the men from the boys. If we know in advance, everyone seems to dress that bit smarter and some of the team actually comb their hair. If it's a surprise, then they'll quickly close down the incredibly nerdy computer game they're playing when they should be working and load up some intellectual website. Emma, of course, isn't there to check out the team's web browsing history (which doesn't make pretty reading!), she's there to do what she does best: take her clothes off, get wet in the process and make all our – and your – cocks go big. Job done. ♣

**Paradise City**  
(Digital Playground)

As usual, the latest from DP features a plot presumably written on the back of a postage stamp in 40 point type. Struggling couple, sexual liberation, blah blah blah. What's decent is the modern take on free love and the swinging lifestyle

(although with lots of 60's and 70's clothes), but what's brilliant is the cast. *Club* faves like Chanel Preston, Aidra Fox, Kenna James and Tasha Reign are all on booty duty.

★★★★

## Corruption of a Babysitter

(Wicked Pictures)

'Innocence never lasts forever' says the cover, clunkily, and while Wicked may not know how to string a sentence together, they certainly know how to craft pornography that makes our dicks big. Aspen Ora stars, a girl who's totally new to us, while there's more experienced back-up from Keira Nicole and India Summer. Aspen herself is extremely cute and, after a lesbian shaving scene, sports maybe the most alluring pussy we've seen this year. ★★★

## Initiation of Young Libertines

(Dorcel)

This effort from Marc Dorcel likes to think of itself as high class and 'luxury', and there's a lot of that guff when it comes to the Dorcel brand. What it means in reality is moody lighting, moody men and women and hardly a flash of colour. Which is pompous, until you realise that the sex remains fine – Manon Martin is gorgeous, Claire Castel, Chloe Lacourt and Ava Courcelles the same. Valentina Nappi, of course, always looks like the best place to bury your cock. ★★★

PHOTOS: EXPOSUREZONE

Misbe-ava...

**B**lighty's own Ava Dalush isn't your average glamour model. She's into jazz vinyl, Hip-Hop and Peter Sellers (just like the Editor, not that I'm saying she should marry him or anything. Although she should). And she recently decamped to the US to seek her fortune there. So, how is it going for her on the other side of the pond (where these photos were taken)?

Well, with a film CV that now includes such titles as *Bangin' the Boss 3*, *Jerkoff Material 11* and *My Brother Has a Big Dick 2*, we'd say it's going swimmingly. She's exported her beautiful British booty and the yanks are loving it. Even though they'll never appreciate Peter Sellers the way we do... ♣

Still, we reckon she fits the bill – plucky, sexy, fresh-faced and ruder than you'd expect.

In fact, she had us blushing by telling us all about an anal encounter with a nine inch cock that she then sucked clean. As if that wasn't enough, she then spilled the details about the birthday blowbang her friends arranged for her. Four into one does go... ♣

We loved her in Joss Whedon's short-lived *Firefly*, but she also showed us her homeland in 2008 movie *Death In Love*, her tinge of Brazilian sensuality very much to the fore. ♠

## PUCKS & FUCKS!

I have played hockey since my schooldays. I especially enjoyed the female company and the camaraderie of playing as a team... to say nothing of the intimacy in the changing rooms after practice and matches.

Because I'm bisexual I particularly enjoy the unselfconscious way most girls undress in front of each other. It affords me the chance to view their charms and fantasise without revealing my sexual orientation. I was sure no-one had noticed or guessed about my feelings until the day that I found myself alone in the showers with Mary. I had stayed back after practice to run a couple of extra laps and by the time I reached the changing rooms everyone had showered and left. Everyone except Mary.

She was standing in the communal shower

soaping her lovely body. I stood under the showerhead, peeping furtively through the spray at her. She caught my eye and I glanced away, but as if she had read my intimate thoughts, Mary moved towards me and began soaping my breasts.

I was frozen to the spot, shocked that she had guessed my deepest secret, yet thrilled by her touch. My mind in turmoil, I felt my muscles stiffen but offered no resistance to Mary's advances. Tingles of delight flowed towards my crotch as Mary's hands gently soaped my nipples.

Responding instinctively to her caresses, I reached out and touched her breasts. The feel of Mary's skin was even more sensual than I had imagined and I became intensely aroused. My clitoris throbbed and my vaginal secretions were trickling down the inside of my thighs.

Reaching for the little dark patch of hair that covered her snatch I gently separated the wet curls and slowly slid a finger into Mary's vagina. Tracing the soft inner and outer lips with my finger, I found them already slippery with Mary's excitement. Locating her clitoris I began to massage it gently. Our excitement almost overwhelmed us both as I sank two more fingers into Mary's warm gash.

With her tongue playing lightly over my nipples, Mary commenced fingering my pussy. I was in raptures of delight – my first time with a woman was more fulfilling than I had ever dreamed, and it wasn't long before I climaxed.

Our mutual pleasuring was so intense that my knees began to grow weak. All the while the hot water cascading from the showerhead was making things very slippery, and so now we sank to the floor, our bodies entwined, as the warm water sprayed

over us.

Mary sat with her back to the wall with her knees bent and her legs spread, and, kneeling in front of her I lowered my face to her irresistible snatch. Feeling increasingly adventurous, I allowed my tongue to flick lightly over Mary's pussy lips, marveling at the sweet taste of her sex.

She went wild as I began to suck, lick and mouth every part of her womanhood, the flat of my tongue methodically lapping at her throbbing clitoris – writhing on the floor of the shower before me in a state of sheer ecstasy. Then she came off explosively, her body convulsing.

### LAST NIGHT A DJ FUCKED MY WIFE!

Last month my boyfriend and I went for a meal in town, and although it started off okay, we were soon arguing and he really pissed me off, so I walked out. Upset, I wandered around the streets trying not to cry, but I soon became angry that he'd been such a bastard and decided to go into a pub for a drink. I'd never been in this particular bar before but they had some cheesy disco in the backroom so I got myself a drink and went in to cheer myself up by having a dance.

**“The lovely musky smell of his meat filled my nostrils as I tickled his knob with my tongue”**

I was dressed in a slinky dress and heels as the restaurant had been quite posh, so I knew I looked good and was soon attracting a fair bit of attention as I wiggled my butt on the dancefloor.

A few more drinks and I was flirting with some of the lads that were trying to dance with me and was actually starting to have a good time. Most of the guys were boring but I did quite fancy the DJ. Although he was a bit of a poser, he gave me an idea of how to get back at my boyfriend and boost my ego at the same time.

First I requested a few records, and then I danced provocatively in front of his decks. I have pretty good tits, and in that dress I knew he'd be gawping at my cleavage. I then danced with a guy and ground my crotch against him while staring at the DJ. He couldn't take his eyes off me by now, and when I went to request another track he

asked me my name, told me he was called Martin, and bought me another drink.

I hung around the console flirting with Martin, making sure he knew that I was up for some fun, and he was like putty in my hands, fawning over me and paying me compliments as well as keeping the drinks coming. Around 11pm he told me he was finished for the night and I asked him if he could give me a lift home as I was a little bit pissed and didn't have enough for a cab.

As soon as we got in his car he leaned over and tried to kiss me. I let him push his tongue into my mouth and slid my hand up his thigh until I reached the bulge in his trousers. He attempted to stick his hand up my skirt but I pushed him away and told him to drive us to a more secluded spot.

He was so eager he kept grating the gears as he drove us out of town and parked in the entrance to a field. My pussy had been getting nice and wet as I imagined what I was going to do, and as soon as we stopped I opened my legs slightly and placed his hand on my bare thigh. He slid it straight up under my skirt and groped my pussy through the damp gusset of my panties. Reaching over, I unzipped his trousers and dragged his semi-stiff dick from his pants, fondling it until it was nice and hard.

Martin had managed to get a couple of fingers into my gooey twat and with his other hand was squeezing my aching breasts. I was more interested in sucking his prick to be honest and I leant over, lowering my open mouth onto his lap.

The lovely musky smell of his meat filled my nostrils as I tickled his knob with my tongue before taking the whole shaft to the back of my throat and sucking it hard. Martin moaned and tried to push my head beneath the steering wheel so he could plunge his cock deeper into my warm wet mouth.

I loved the excitement of cheating on my boyfriend, but knew I had to actually get Martin's dick in my cunt to make it really

**“Martin managed to get three fingers into my fanny and wriggled them around in the slippery wet softness”**

horny and, pulling away, slipped off my knickers and twisted round, offering my pussy for him to fuck. How he avoided the gear stick I don't know, but after a bit of a struggle, I felt the tip of his tool press against the moist lips of my slit and I pushed backwards onto his prick. I could only get a couple of inches in me at first, but with a bit of jiggling about I managed to push back until his whole dick thrust deep inside me. It felt great feeling his hard tool throbbing deep inside my cunt, and by using the steering wheel for support, I was able to raise and lower my arse on and off his manhood while he roughly mauled my tits. I even managed to get a finger onto my clit and jerked myself frantically as we screwed in the ludicrously confined space.

I'd already decided that even though I was taking a stranger's cock in my cunt, I wouldn't let him shoot his spunk up me, so I wanked myself until I came on his meat and then lifted my sodden pussy clear of his dick.

It felt great being in control and using this guy for my own pleasure. Martin was

obviously desperate to cum and seemed quite upset that my slit was no longer enveloping his dick, but I placed his hand back onto my cum smeared hole and masturbated him nice and slowly in the dim confines of his car.

Martin managed to get three fingers into my fanny and wriggled them around in the slippery wet softness as the cum in his balls began to ache for release. I gripped his meat harder and wanked him as fast as I could. Martin leant back in his seat and moaned with pleasure as I stared at his throbbing shaft in the dull glow from the interior light.

Suddenly, Martin grunted loudly and a jet of sperm fired out of his prick onto the steering wheel. Another splattered all over my hand and dribbled into his crotch, while the next jet of thick white cum sprayed over my dress. It had obviously been a while since Martin had emptied those balls as he continued pumping spunk all over the place for ages. By the time he'd finished there was semen on the dashboard, strings of the stuff hanging from the indicator lever, gloops of sperm on my dress and big sticky pools staining the seats.

I stuffed his wilting cock back into his pants and made him drive me home. I wouldn't even let him wipe up the mess he'd made as I told him it would remind him of what a filthy tart he'd just been with. I never saw Martin again and didn't want to, but his squirting prick certainly cheered me up that night.

# PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## REAM PIE!

My husband loves anal sex. We have been married for two years and during this time I have come to enjoy it too. We only indulge in anal sex once a week as I am afraid of becoming too loose back there. However, because we restrict ourselves to only one arse-fuck every seven days I make an effort to be extra sexy for Mark dressing up in provocative ways that I know will really turn him on.

The thing that attracted Mark to me in the first instance was my innocent young girl looks. He especially likes me to wear short skirts, cotton knickers and ankle socks for our anal nights. Last time was no exception: I was wearing a cute little pale pink T-shirt short denim skirt with pink cotton panties and socks to match.

We were in the kitchen and Mark was delighted with my outfit, turning me around to examine every detail and commenting favourably on the matching socks T-shirt and panties. Complimenting me that I still looked like a teenager, he pushed his hands up under my skimpy skirt and salaciously massaged the dampening gusset of my panties.

His breathing quickened with lust and I could feel his cock straining against

his flies through my skirt. I unzipped him, releasing his rampant tool, teasing his moist mauve cock-head with my fingertips I until the first beads of pre-cum appeared. I squatted and licked these off as a prelude to gobbling him hard, watching him wriggle as he felt my warm mouth dexterously working his member.

After a short while the stimulation plainly proved too much for Mark to bear. He pulled me gently to my feet, and, turning me around, helped me out of my T-shirt. I was bra-less, and he cupped my breasts in his hands, gently squeezing them before rolling my erect nipples between fingers and thumbs. I arched my back and lent into his body, feeling his hard-on poking against my lower back.

Lifting the back of my skirt, he caressed my buttocks through the cotton fabric of my panties as he guided me towards the kitchen table. Bending me across its surface he peeled my panties down and off and spread my legs. I felt his finger slide across my clut, then his rigid cock began forcing itself inside my juicy fanny. Having lubricated his tool inside my soaking hot pussy, he withdrew it. Pressing his helmet against the entrance of my bottom-hole he prodded it until my

sphincter muscle expanded sufficiently to permit him to feed his shaft inside me.

Mark's cock pumped in and out of me as I squirmed and writhed beneath him, my pussy pounding and my arsepipe throbbing. Desperate for the orgasm that I could feel approaching, I pushed my arse backward to meet each thrust as his hardness sawed in and out of me. I felt the knowing tingles, then the first wave of orgasm hit me. He took that as his cue to cum too, unloading what felt like barrels of goo deep inside my arse.

### SCOTT OF THE BOT!

I started shagging my friend's younger brother a few months ago. We decided to keep it secret, not that we were ashamed of what we were doing, it was just that we agreed it was a bit of fun and wasn't going to lead anywhere. There was no relationship, no dates and certainly no love. We were just people who had sex with each other. It started late one night after Scott came back from the pub. "Oh sorry," Scott said, stumbling as he came into the front room. I was stretched across the sofa, watching the film *Gravity* with Katie.

"Either come in, or go out," Katie snapped. "All I can see is a big reflection with the door open." Scott came in, not realising that I was lying on the sofa.

"I've not seen all of this," Scott announced, and I held my breath as he blindly searched

for somewhere to sit. His hand found my leg. "Katie?"

"What now?" she barked impatiently from the other sofa.

"Why don't you just sit down?" I said, pulling on Scott's hand as I swung my legs out of the way. I swung them back over his lap as soon as he'd made himself comfortable. Within seconds, I felt his cock pressing into the back of my knee. I tried to ignore it, but in the end I couldn't resist. Using my legs to hide the movement from Katie, I reached down and rubbed Scott's lump. There aren't many guys who complain when a girl starts playing with their cock and Scott was no exception. What I hadn't expected was for him to slide his hand down between my legs and to rub me to orgasm. We shared the sofa regularly after that night and managed to have full sex when Katie got an unexpected phone call. However, there are some things which are much more difficult to do in secret.

"Have you ever had anal sex?" Scott asked flatly after we'd watched *We're the Millers*.

"No," I replied.

"Wanna try?"

"Not on the sofa."

"Then where?" Scott asked, as if he'd never considered having sex with me anywhere else.

"I do have a bedroom of my own, you know, and I'd be happy to have you in it."

"Really?" Scott asked, sounding genuinely

surprised.

"Tomorrow morning. 10 AM. You'll even get to see me naked." Scott's cock got hard.

"Save that for tomorrow," I said, giving it a friendly pat.

"This is so amazing!" Scott said, as soon as he was through my front door.

"We've only got two hours, so we need to get on with it." I undid my bathrobe's belt and let Scott peek inside. He leant forward, his mouth falling open as I let it drop off my shoulders. "Get your clothes off," I said, feeling exposed and vulnerable with me naked and him fully clothed. "Now you just lie back and watch," I instructed. My vibrator and tube of lubricant were ready and waiting on the bed. I straddled Scott's body, giving him a perfect view of my ass and pussy. Squeezing some lube onto my finger, I started applying it to my arsehole and slowly eased a finger inside.

"Oh my God," Scott groaned and he tugged his cock under my body. As he stroked his cock, I inserted another finger, smearing lube as well as loosening my muscles.

"Lubricate the vibrator and stick it into my ass."

"Really?" Experience told me that I could easily take the toy in my ass and I trusted Scott to penetrate me with the buzzing cylinder.

"Just be gentle." It actually felt better with Scott down there doing it to me, especially when I started sucking his cock. He surprised me by rubbing my clitoris. The sensations were amazing and he quickly had me cumming. The orgasm made us both brave.

"Can I try sticking my cock in your bum?" Scott asked.

## “It felt really nice having my ass stretched, pushed and pulled by his cock”

“I’d love you to.” I watched with excited fear as Scott applied a generous covering of lube to his entire shaft. He was being very optimistic to think I could take all that in my bum. He was ready and I had done everything I could think of to receive him.

Back on my hands and knees, I pushed my bum up in the air and slid my knees apart, opening myself as wide as possible. The head of Scott’s cock nestled into my anal groove. It tickled and it felt desperately naughty as he applied pressure to my ‘wrong’ hole. Only bad girls had anal sex. I was about to become a ‘bad’ girl.

He was as gentle as I’d hoped but the preparations meant he was able to slide his cock deep inside my bum. “Oh wow,” I moaned, sliding my fingers up from my pussy to where my arsehole was being stretched. It was a real, pulsing cock in my ass – so different from the smooth, hard vibrator I had practised with. It felt deliciously wrong as he started pushing back and forth, testing to see how much of a pounding I could take.

“How does it feel?” It felt really nice having my ass stretched, pushed and pulled by his cock and it was surprisingly comfortable, although I didn’t tell him that. I just kept rubbing my clitoris.

Scott’s hands gripped my waist, just like when he was fucking my pussy, and just like when he was fucking my pussy, his hips touched my bum. I knew what that meant. “Is it all inside?” I asked, startled.

“Yes, and it looks fucking amazing,” Scott groaned. I tried to imagine the hairy root of Scott’s cock sticking out from between my

splayed buttocks, knowing that his entire cock was buried inside my bum.

“Speaking of fucking,” I hinted, wriggling from side to side. Scott’s hips started to work and his cock thrust back and forth, faster and faster. To feel him fucking my arse was a great thrill – his lean, muscular body pounding my little bum. He drove in harder and I felt excitingly vulnerable as his weight pinned me to bed as he fucked my virgin arse. My hand was trapped down there and I managed to work my fingers over and into my slippery pussy. The intensity of my pleasure rose higher and higher as I rubbed my clit.

“I’m going to cum,” Scott groaned. I thought he’d pull out, as he always did when fucking my pussy, but he didn’t. He thrust into my ass more deeply than ever and cried-out as he spunked into my bowels. I hadn’t been expecting him to do that and climaxed immediately – one of the most intense orgasms of my life.

Scott collapsed on top of me, kissing my back and shoulders before turning me over. “Are you OK?” he asked, with concern in his face as I winced.

“My bum’s a bit tender but don’t worry, I’m sure I’ll be ready for Friday night.”

Cruise cooze...

American magazines and websites are chocka with interviews and articles about how Carter Cruise was a college student and sorority girl who – shock! horror! – became a porn star. As if that's not something that happens every month. In fact, the world of porn is much nicer than those silly frats, full of hazing cunts who will one day run the country (into the ground). No, she's better off in a world where she has dick and fanny on tap, gets paid for the privilege and can appear in discerning magazines like this one... ♣

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## Sue-shit!

"It's getting hot in here so take off all your clothes," is how Nelly sold it to us back in 2001, but a Massachusetts man has turned the concept on its head after an altercation with his 21-year-old girlfriend. John McGuinness, 22, became angry over a text message received by the victim from a male friend. The victim

dropped the defendant at home but later returned after receiving a text from McGuinness threatening to throw her \$200 jeans out the window. On returning, McGuinness forced down the woman's car window, removing her mobile and then allegedly threw the \$200 jeans, which by then had been coated in wasabi, at the victim's face. He should have told her they were mushy peas.

## Polly wants a F\*\*\*\*r!

Whose bird-brained idea this was we shall never know, but officers from the Indian city of Rajura allegedly detained a parrot for cursing at an 85-year-old woman. The parrot had reportedly been trained for two years in obscenities more accustomed to an East End gutter with the sole purpose of abusing Janabai. The parrot, who belonged to her step-son, was reportedly manipulated to curse her after a long running dispute between the two families. After a short interview in which the parrot declined to comment, police concluded that removal from the owner was the only course of action.

## Natures Game!

A game of Where's Wally for the less mentally efficient in this world would probably look similar to the situation that 20-year-old Milton Hodges found

himself in, after jumping fully clothed into a nudist bay whilst seeking sanctuary from robbing a nearby home improvement store. Hodges claimed to be browsing for plant products but tried to skip the till point by holding a pair of scissors to the clerk's neck. Easy to spot in the crowd, Hodges was arrested at gunpoint after pilfering a golf cart from a security guard at the nudist resort. Hodges faces charges of armed robbery and certain jail time. ♣
